President's Corner

Hello Thunderbirds, hope all is going well and everyone is staying cool. LOL!!! WOW, what a heat wave we are in. An FYI for those of you who DO help and mow the grass, the mower is again in good working order. Mike and myself were out at the field yesterday and replaced the belt and took off the belt tensioner [which was the cause of the belt] and freed up the adjuster. Thanks Mike for your help, well appreciated. Thanks to everyone that showed up to the night fly this past Saturday. Also, again we are allowed to fly at Jetway Field WITHOUT a spotter for our experienced pilots only, we will be discussing this at the meeting tomorrow to get input on this matter. Hope to see you all at the meeting. Until next time, Randy
