2016

### President's Corner

Hello Thunderbirds, hope all is well. Summer is here; fields are in nice shape, so let's get out and get some flying in. We had a little crowd out on Thursday night; Dan Foreman looked like a different person flying this year, way to go Dan. hopefully we can get more people out and interested at the fields. As a reminder to all, June 25<sup>th</sup> is our night fly, this event should be a good one, a lot of area clubs are posting this on their sites and Dan at Lazer Toyz is pushing this event really hard. Thanks Dan. Club meeting is tomorrow at Jetway Field, we will be raffling off an electric "Widow Maker" kit from Crash Test Hobby with the power plant to go with it. Hope to see you all there. Until next time, Randy
