## President's Corner

Will it ever quit snowing? I guess if we want to fly, we'll have to do it on skis or floats. Maybe we can do both this month snow and water flying. Which reminds me we need to schedule what we would like to do and when we would like to do it at this month's meeting. We only have the night fly and our annual Lake Hodgson. We also need to get some people lined up to help Dave Lee's with his Multi-Multi flight demo on the same day as the Night Fly, long day. So come to the meeting and help us make it happen.

### Monthly Raffle

There will be no raffle for our April meeting.

### Meeting Minutes-March Meeting

Meeting called to order by President Mike Ryan at 1:30 pm. Ten members were present.

Treasurer's report was given.

Given that our meeting was immediately following our Swap Shop, the majority of the discussion was on ways to improve things for next year. Out of those discussions came the following:

Next year, each vendor will get one door prize ticket per table purchased.

A spreadsheet with all of the vendors that participated this year will be created to aid in next year's table reservations.

The Secretary Treasurer will ensure that the start and end times for the swap shop will be included in all of the ads in Model Aviation Magazine. In this year's ads, the times were omitted.

Meeting adjourned at 2:15 +/-

### Please Support our Sponsors

### Items of Interest

Monthly raffle – There will be no raffle for our April meeting.

The club would like to thank all that came out to help with this year's swap shop. Without all of you, we could not have made this the success that it was. THANKS GUYS!!

As a friendly reminder, it is once again time to pay your dues for the 2018 flying season. Dues should have paid by our March meeting which immediately followed our March 4<sup>th</sup> Swap Shop. If you have not yet paid your dues and plan to use our fields this summer, you need to get your dues paid as soon as possible.

Our June night fly will be held on Saturday, June 23<sup>rd</sup> from 6:00 – 9:00 pm. Lazertoyz will be in attendance to help sponsor this event.

**On the same day as our night fly, our Vice President, Dave Lees will be attempting to fly 250 (yes, he has that many) different aircraft in one day. Dan Greathouge from Lazertoyz has volunteered to offer support and will be in attendance to help Dave. Dave is asking that anyone willing to support this effort, please contact one of the club officers. He will need help getting planes ready to fly, etc.**

**Please be aware of the diagonal cable at the west end of our Jetway pavilion. A few pool noodles were installed over the cable to help make it more visible.**
