President's Corner

Help, Help, Help. This month meeting will be our last meeting before the Swap Shop on March 3. We need everyone to help as before. We will do fine if it goes like it did in the past. We have done it enough that it's almost automatic. The main areas are table setup, front desk, ticket sales, coral, and take down. I'm sure I forgot something. The more we have the easier it will be. So, come to the meeting and volunteer to help or just come to the Swap Shop and help. See you there, Mike

Meeting Minutes-January Meeting

Meeting called to order by President Mike Ryan at 7:02 pm. Six members were present. Vice President Dave Lees was not present due to illness.

Treasurer's report was given.

It was brought to the attention of the members that our Diamond St. field had been driven over and had deep ruts put in it. This will be addressed in the spring.

We had a discussion on how to get more members out to our fun flys. It was suggested that we put out a questionnaire to get more input from members. The idea was accepted and a questionnaire will be put out at a later date before the flying season starts.

General discussion followed.

Meeting adjourned at 7:45

As a friendly reminder, it's time to check that your FAA registration is up to date. It is currently mandatory for all members to be registered and the FAA's penalties are severe. To get registered, go to <https://faadronezone.faa.gov/#/> and either log in to renew or click the link to start a new registration.

The porta pot at Jetway field has been winterized. Please refrain from using it unless you absolutely need to.

Our annual swap shop is fast approaching. We will need as much help as we can get. We are asking for your help with our biggest event of the year. We will be discussing the swap shop at our February meeting so if you are interested, please plan to attend the meeting.

Spring will be here before we know it. With it will bring grass that is rapidly growing. We are asking for volunteers to help mow in the spring till the growth slows down. If you would like to help out please email the secretary or any officer. Your help is greatly appreciated.

Please be aware of the diagonal cable at the west end of our Jetway pavilion. A few pool noodles were installed over the cable to help make it more visible.
