SQUADRON NEWS

2017

President's Corner

Hello Thunderbirds, Hope everyone had a safe and enjoyable 4th of July. WOW, how about the turn out we had at the nite-fly. For those of you that weren't there you missed a good event. I'm thinking 40 to 50 people. Special thanks to Dan and Angie from Lazertozy for all the help, and all of the other people that also helped out. we will be raffling a seaplane tonight at our meeting, which is fitting for all the rain we been having this year. Fields are in great shape and mowed. Hope to see you all tonight at the field for the meeting. Until next time.....Randy

Meeting Minutes-June Meeting

Meeting called to order by President Randy Montgomery at 7:10 pm. 7 members were present.

Treasurer's report was given

Kurt Massar informed the members present that the clubs new website was now up and running.

Dave Lees informed the members present that the U.S. Air Force Thunderbirds team was performing at the air show at the Youngstown Municipal Airport.

We had a brief discussion on the upcoming night fly scheduled for that following weekend.

It was decided that future float flies at Kool Lakes campground would be restricted to electric aircraft only.

Frank Toplovich volunteered to change the oil in the clubs mower.

It was voted and approved to postpone the raffle until the July meeting due to low member turnout at the meeting.

Frank Toplovich invited everyone to his 45th birthday party at his residence.

Meeting adjourned at 7:40
