Monthly raffles have been suspended until further notice.

Once again, many thanks to the mowing volunteers. With their help, we have been able to keep up with the fields. Thanks guys!!

On June 22nd, we held our annual Night Fly. Turnout was better than in recent years as we had 12 pilots participate. Six of those were from other clubs. We raffled off one of the new EZ Cubs from EZ Build which was won by Jason McQuiston from Boardman Ohio. The most flights prize was won by Jim Valovcik. Jim also won the general prize.

The power takeoff clutch on the club mower stopped working this past month. The problem was diagnosed by Mike Ryan and Doug Kreuger. Turned out to be a wiring problem and a fairly simple fix. Final repairs were done by Doug Kreuger. Many thanks to both.

Please be aware of the diagonal cable at the west end of our Jetway pavilion. A few pool noodles were installed over the cable to help make it more visible.
