## President's Corner

Hello everyone. This month's meeting, we will be talking about Dave's attempt to fly 250 airplanes in one day. I have enough trouble keeping two or three planes flying. Some of the later planes he will be flying will have lights because this is also our Night Fly. This will hopefully bring some notoriety to our club. The only way Dave can do this is with allot of help from our members. Pre-planning will be the key. Please come to the meeting and see how we can get this done.

Mike

### Items of Interest

Monthly raffle – There will be no raffle for our May meeting.

Our porta pot still needs to be re anchored since it was blown over. We also still need to get week killer sprayed on the parking lot at Jetway. If anyone would like to volunteer to help with this work please contact one of the club officers.

A big thank you goes out to Frank Toplovich, Dan Forman, Bob Eaglen, Dave Lees and Mike Ryan for their mowing efforts so far this year. Thanks Guys!!

We had our first weather successful fun fly last Saturday. Mother Nature finally cooperated long enough for eight of us who attended to do some flying and enjoy some Bratwurst. The pilot with the lucky ticket was Mike Ryan who won the \$40 gift card to Aerotech. Thanks again to all who attended. We had a great time.

If you would like to volunteer to help with the mowing of either Jetway field or Diamond Street, please contact one of the club officers. Your help is badly needed and will be greatly appreciated.

Our June night fly will be held on Saturday, June 23<sup>rd</sup> from 6:00 – 9:00 pm. Lazertoyz will be in attendance to help sponsor this event.

On the same day as our night fly, our Vice President, Dave Lees will be attempting to fly 250 (yes, he has that many) different aircraft in one day. Dan Greathouse from Lazertoyz has volunteered to offer support and will be in attendance to help Dave. Dave is asking that anyone willing to support this effort, please contact one of the club officers. He will need help getting planes ready to fly, etc.

Please be aware of the diagonal cable at the west end of our Jetway pavilion. A few pool noodles were installed over the cable to help make it more visible.

If you have any suggestions on how to make your club or this newsletter better, please contact Kurt Massar at [kmassar@ravennathunderbirds.com](mailto:kmassar@ravennathunderbirds.com) or any other of your club officers.
