President's Corner

Hi everyone Mike here. We had our fun fly couple weeks ago. Would like to see more people show up so we can have more of a contest. We finally got the fields in order, grass mowed and taken care of it's been difficult with the amount of rain we had earlier but finally we are caught up and the fields look good. The next thing we have coming is the night fly on June 22nd. It usually draws quite a few people. So, get your planes ready, your lights working and batteries charged. Everything you need to fly at night. See you at the meeting, Mike

Meeting Minutes-May Meeting

Meeting called to order by President Mike Ryan at 7:05 pm. Eight members were present.

Treasurer's report was given.

We had a general discussion on our upcoming May 26th fun fly.

Dave Lees talked about the new EZ Build RC and the new planes in the works. Dave had a kit to show and explained the build.

It was suggested that we could possibly place an ad in the paper to invite younger potential members who fly quadcopters. An ad will be in the works,

Meeting adjourned at 7:55 +/-

Items of Interest

Monthly raffles have been suspended until further notice.

There is a new sign at the entrance to Jetway field. The new sign indicates members only as the old one did, but the new one also states that spectators are welcome any time when the gate is open.

Kudos to the mowing volunteers. With their help, we have been able to keep up with the fields. Thanks guys!!

Thanks to Doug and Laura Kreuger, the fence at the entrance to Jetway has a fresh coat of paint. A big thank you goes out to both of them for their efforts!

Other than the officers, we had four members participate in our May 26th fun fly. Being a holiday weekend may have had an effect on our turnout.

Please be aware of the diagonal cable at the west end of our Jetway pavilion. A few pool noodles were installed over the cable to help make it more visible.
