Meeting Minutes-May Meeting

Meeting called to order by President Randy Montgomery at 7:05 pm. 11 members were present.

Treasurer's report was given

President Randy Montgomery informed the members that he had been applying weed killer on the field and areas around the parking lot and pavilion. The club has purchased weed and grass killer that will be applied to the parking lot and driveway at a later date when rain is not predicted.

Randy also reported on his meeting with the Corsairs club. The Corsairs let Randy know that all Thunderbirds members were welcome at any of their events to fly as guests. They also expressed some interest in having a joint fun fly with us although no dates were discussed.

Secretary Kurt Massar pointed out to the members that the door to our new shed has already been hit and bent. He asked and reminded the members to take care when pulling the mower in and out. If both doors are opened all the way, there should be plenty of room.

Frank Topolovich reported on his research on pricing to enclose part of our pavilion. Frank reported that the estimate came in at \$700. The issue will be discussed further at a later date. The project may need to be pushed ahead due to possible future repairs needed on our mower.

Frank also reported that the club mower was still in need of an oil change.

We had a brief discussion on how to straighten our pavilion which is leaning to the north.

Meeting adjourned at 7:45

Items of Interest

Monthly raffle – Our June meeting raffle will be a Dynam “Seawind” float plane as shown below. This plane has a 48” wingspan and also comes with landing gear for flying off of land. Tickets will be ten dollars. This aircraft will be given away at the meeting regardless of how many tickets are sold.

Special thanks go out to Dave Morrow who has volunteered to help keep our Jetway field mowed. Thanks Dave! Your efforts are greatly appreciated.
