President's Corner

Hello Thunderbirds, hope all is doing well. It's fitting that Dave Lee's wants to have a short presentation tonight on float planes because with all the bad weather and rain we've been having we'll all need float planes.LOL. Remember our meeting will be at the Jetway Field tonight. Bring your planes so we can get some flying in. Hope to see you all there.

Until next time, Randy

Meeting Minutes-April Meeeting

Meeting called to order by President Randy Montgomery at 7:05 pm. 9 members were present.

Treasurer's report was given

A brief discussion was had on the Toledo RC Expo. Several members made the trip.

Randy Montgomery informed the members that, as per a conversation he had with Tim Hartong, that Tim would like us to only enclose half of the pavilion. He is in favor of enclosing the back side and halfway up the sides. This project is only in early discussion states.

Dan Porcase acquired the field us permits for our Diamont St. field and had copies made that where distributed to those at the meeting that wanted one. The permits will also be available on our web site.

Russ Quinn suggested that we do a one time mailing to send out our calendar of events in paper form once it is finalized. This would give membes something to post for easy referral throught the season. The motion was made and it was passed to do the mailing.

Dave Lees has volunteered to give a talk on float flying and float planes at the Mat meeting.

Meeting adjourned at 7:50
