Meeting Minutes-April Meeting

Meeting called to order by President Mike Ryan at 1:35 pm. Eleven members were present.

Treasurer's report was given.

Dan Boone reported that the FAA was investigating the possible future use of RFID identifier chips to be used in unmanned aircraft.

Frank Toplovich volunteered to cut down the dead tree at the entrance to our Jetway field. No time has been set.

We discussed and generated a mowing schedule for Jetway field. The schedule has been distributed to all the volunteers.

We discussed possible events for our upcoming fun fly at the end of May.

Meeting adjourned at 8:05 +/-

Items of Interest

Monthly raffles have been suspended until further notice.

As mentioned last month, we are going to bring back some simple competitions for this year's fun flys. If anyone has some ideas on what competitions they would like to see please contact one of the officers. The schedule for our events was decided on at our April meeting and sent out to members.

The fence at the entrance to Jetway is in need of a new coat of paint. If anyone is interested in helping with this project please contact one of the officers. Your help would be greatly appreciated.

As a friendly reminder, it is once again time to pay your dues for the 2019 flying season. Dues should have been paid by our March meeting which immediately followed our March 3rd Swap Shop. If you have not yet paid your dues and plan to use our fields this summer, you need to get your dues paid as soon as possible.

Please be aware of the diagonal cable at the west end of our Jetway pavilion. A few pool noodles were installed over the cable to help make it more visible.
