Meeting Minutes-September Meeting

Meeting called to order by President Randy Montgomery at 7:10 pm. 10 members were present. Honorary member Jim Bailey was also present

Treasurer's report was given.

Randy informed the club that LazerToyz will be closed until September 24th. The staff running the store was involved in an auto accident and will be recovering for a few weeks. The store will be open for one day while Dan and Angie are back from the east coast. On line ordering will also be affected. We wish the staff at LazerToyz a speedy recovery.

We discussed the need for a spotter and decided that a spotter is no longer required by the club unless you are a student pilot.

We further discussed the need for a new shed. It was decided by majority vote of those present that we would buy a new 8 x 10 metal shed from Lowes along with a floor kit and necessary materials to construct a new ramp. Approximate cost will be \$500.00 We also decided to meet at the field on Sunday, October 2nd to dismantle the old shed and assemble the new one.

We had a brief discussion of the float fly.

It was reported that one of the flight tables needs a new wheel.

Meeting adjourned at 7:45
